

# Modular Education Program for Activity Professionals - 2nd Edition

DH Special Services is approved to teach the Modular Education Program for Activity Professionals, 2<sup>nd</sup> Edition in the traditional classroom setting as well as through independent study. The course follows twenty core curriculum areas which meet the standards of professional preparation in activity services. The course (both classroom and independent study) is taught in two 90 hour sections – Part I and II. The student must complete Part I before completing Part II. Completion of the MEPAP – Part I continues to be a qualifying credential for the Activity Director according to NJ State regulations as well as noted in F-248. Please call or email our office with any questions on the course or the certification process.

## Independent Study Version

The independent study version can be started at any time and you have one year to complete each section.

The Independent Study MEPAP is divided into two sections – Part I and Part II. Each part has six lessons. Each lesson consists of learning activities and practicum activities. The lessons are designed to be practical and engage the student in meaningful learning experiences. Interview of residents, clients and staff; observation and analysis of facility systems; Internet research and video analysis; participation in class chat and bulletin board via internet; implementation of groups; and developing policies and procedures are some of the tasks involved the course. Completion of Part I is a qualifying credential in NJ as well as many other states for the position of Activity Director.

Part I Required Text: Activities Keep Me Going and Going \$50.00

Part II Required Texts: The Professional Activity/Manager \$45.00

Management in Therapeutic Recreation \$55.00

Hiring the Best Person for Every Job \$20.00

Fee : \$600.00 per Part (Part I or II) or \$110.00 per lesson.

Payment plans are not eligible for early registration discount. To qualify for early registration discount, payment must be in full prior to due date. PayPal is also available at [www.paypal.com](http://www.paypal.com). Call or email for more information.

**Practicum Experience:** Each section of the course requires a 90 hour practicum, to be completed in conjunction with classwork. The practicum assignments are a combination of written assignments, practical application of group and 1-1 techniques, and implementation of professional tasks. Practicum assignments are completed at an approved site and under the guidance of a practicum supervisor. All practicum experiences are designed to be useful and helpful in the participants future as an activity leader and manager. **Prerequisite:** High School Diploma or GED. Proof must be provided on first day of class.
